FOR JUST A LITTLE VISIT

WITH YOU?

What I am going to tell you is hard to believe — that is, unless you believe that God meant what He said in Habakkuk 1:5 — “. . . I will work a work in YOUR DAYS, WHICH YE WILL NOT BELIEVE, THOUGH IT BE TOLD YOU!”

Have you heard the series of broadcasts just recently made in “MIRACLE VALLEY,” during “Miracle Week?” If you missed these broadcasts, you missed one of the greatest things we have ever brought to our radio audience.

Here is a part of the story.

When the Phoenix Camp closed, our second size tent was already up in Miracle Valley for “Miracle Week.” (This tent has not been used for our tent meetings in cities for two years, as it is only 120' × 200'). Hundreds of people drove from Phoenix at night, as soon as the service had closed, in order to be at “Miracle Valley” for the first service the very next morning.

With David Davis, our revival pianist, helping me drive, we left Phoenix about 1:00 A.M., for “Miracle Valley,” which is south of Phoenix. When we were still 35 miles from the Valley, we saw ahead of us one of the most beautiful sights we have ever seen. Although there was no moon, and the sun was hours from rising, and it was pitch dark night, over “Miracle Valley” hung a beautiful blue-white cloud, so bright that it looked fluorescent. It appeared to me to be about 10 miles long and possibly a mile wide. There were many clouds in the sky this night, but this one alone looked like some one had lit it up with high powered blue-white lights from heaven. Yet there were no lights anywhere.

I said to David, “That Cloud is over ‘Miracle Valley!’ It is a supernatural sign that God is there, and will be there in a special way during this ‘Miracle Week,’ while people are coming in from all over the nation. God is showing us that we are to expect something miraculous.”

In the very first service, one of the high school teachers stood and began to prophesy as the Spirit of the Lord moved mightily upon her:

“THIS IS MY VALLEY! Here I have called my people; yea, I have ordained it. In the beginning, in the earliest centuries have I ordained this valley. When I did lay the foundations of the world, when I placed the heavens above, and lay the water and the seas, at that time, I did make this valley; yea, I did walk in it, from mountain to mountain. Yea, in this valley I will call my people, and from this valley they shall go forth, and I the Lord thy God shall go with them. I have looked upon my harvest, and I have said, ‘Where are my laborers? There are so few!’ The fields are white, and the sheaves are falling. There are many that I have called . . . that I have chosen. I have said in my heart, ‘I will set my valley aside; I shall call my people, those that will hearken unto my voice. I will speak unto my people. I will endue them with power through my Holy Spirit.’ Yea, I the Lord have spoken unto my people that I will walk among them, and will speak through them. They shall come from the East, from the West, from the North and from the South, to prepare here to go into my whitened harvest fields. I will open the windows of heaven, and I will pour out of my power and I will bless thee and will give thee that which thou hast desired.”

Nestled between the two mountain ranges, in the fertile valley which God, through the gift of Prophecy, called “MY VALLEY,” the buildings of MIRACLE REVIVAL TRAINING CENTER present an inspiring sight. Above: the girls' dormitory. (The boys' dormitory, not shown, is a duplicate of this building.) Below: Left to right — the Cafetorium, one of the class room buildings, and the wood shop building.

Landscaping has begun. Here can be seen the cafetorium with a few of the trees and shrubs our friends have helped to provide. During "MIRACLE WEEK" additional trees were purchased to plant a large orchard. At left, in the background, can be seen a corner of the library and administration building, under construction. This building equals the Cafetorium in size, and is now nearing completion.

The great multitude of people who were there and heard this were swayed by the power and presence of God. None doubted that this supernatural utterance had come from God.

How we rejoiced to hear God confirm what we already knew He had done from the beginning. How encouraging to the many fine young Bible School and Christian School students, and to the workers who had worked and sacrificed so much to prepare the dormitories, class rooms, cafetorium, etc.! God made it so real that he had walked over that very soil, and chosen the spot himself for the purpose for which it was now being used.

Then on the last day, Sunday, a missionary on his way to Formosa had a vision all day long, of Jesus walking through the valley, from mountain range to mountain range.

For those who attended and heard and saw what was taking place, there was no doubt that from the very valley God will send forth blessing to every part of the earth! Because of His blessing upon this valley, signs and wonders and miracles shall reveal His power and glory in every land, and the islands of the sea!

God is leading us in making our plans for the coming season. While the big new plastic air-borne tent is being planned and built, we will be carrying Miracle Revival to many of the great cities of America from coast to coast in great auditoriums, seating thousands. Be sure to check the campaign schedules in Miracle Magazine, to see when we will be near you. **PLAN NOW TO SPEND YOUR VACATION THIS SUMMER IN A MIRACLE REVIVAL!** A great summer Camp Meeting is planned at "MIRACLE VALLEY" for the entire month of August. The big new plastic tent will be set up there for the first time. The school dormitories, which were only partially completed for "Miracle Week," will be completed, and will provide comfortable rooms—by reservation only, of course. Thousands of

our friends will be eager to see the additional progress made between January and August, as students and workers press on with God's blessing.

Since our plans have changed so that we will be using auditoriums until the new tent is completed, students have already been assigned to the task of cutting the old Miracle Revival "Big Top" into strips and squares. Under the old canvas, thousands have seen visions of angels, or beheld Christ as He laid His hands upon the sick, with the evangelist, and brought healing and deliverance. Under that canvas, alcoholics, and narcotic addicts were delivered, and demons cast out. Satan's captives were set free; the sick were healed, and many snatched from the jaws of death. Even the sawdust under the canvas brought healing and miracles to many.

In the January issue of Miracle Magazine, we told our friends that we are reserving every inch of that canvas for a special purpose. We believe that even as the five broken loaves were made to bless thousands more because they were broken, even so the remains of the old canvas can bring blessing, yet, to thousands. We have promised a piece large enough for a pillow top to each of our faithful friends who will send \$100.00 or more to help replace it with the new air-borne structure, by the time the new tent is ready.

Would you like a piece, as a souvenir? Send your pledge NOW! And be sure it is paid by August 1st!

Thus, you can have a part in the GREATER WORK which God has promised, under his new and entirely DIFFERENT tent!

"GOD LED THEM IN A PILLAR OF A CLOUD!..."

(Ex. 13:21)

by REV. A. A. ALLEN,

THOUSANDS ACROSS THE NATION and around the world have been told about "MIRACLE VALLEY" all this past year, since God so miraculously gave us (through Brother Urbane Leiendecker, one of His faithful servants) 1,280 acres of fertile ranch land near Hereford, Arizona (between Bisbee and Sierra Vista), on which to build Miracle Revival Training Center and Miracle Valley Christian Day Schools.

We have published in MIRACLE MAGAZINE, from month to month, reports of the progress that has been accomplished in developing "MIRACLE VALLEY" and have daily and weekly told our Radio and TV audiences of the continuous miracles God has been performing to enable us to open the Christian Grade and High Schools there on September 8, 1958, and the MIRACLE REVIVAL TRAINING CENTER on October 1st.

We have told you how the Lord has laid on the hearts of His people the burden to stand by me and help build this great training center, from which shall go consecrated men and women into all the world preaching this Gospel of the Miraculous, accompanied by signs, wonders and miracles.

God has given individual men and women definite and personal visions and commissions to stand by me and assist in this great work for God. Likewise, they shall share in the great reward He will give to all of us in that day when He distributes the rewards!

The Lord has moved on His people to contribute of their money, property, equipment, building materials, labor, time and prayers that this work may go forward to establish a great city dedicated to God, surrounding the MIRACLE REVIVAL TRAINING CENTER, set aside for the task of training and sending out men and women to reap the whitened harvests of the world with a miracle sickle.

"MIRACLE VALLEY," as we have told you before, is a fertile valley located in the heart of the Huachuca Mountains bordering on Old Mexico, formerly named by the early settlers and homesteaders "The San Pedro Valley." It has been re-named by our associates "MIRACLE VALLEY" because its development has been made possible through a continuous series of miraculous happenings.

Because of this fact, it is destined to become "Canaan Land" to the Miracle Revival Fellowship, a group of Pentecostal believers in the miraculous power of God, the Faith once delivered to the Saints! These are a group of believers who have dedicated their lives to a life of separation, holiness and consecration to God!

From the beginning, God has placed His stamp of approval on our efforts to build this great Training Center for Him in "MIRACLE VALLEY."

Four years before "MIRACLE VALLEY," as we now know it, became a reality, God spoke to Brother Urbane Leiendecker and gave him this beautiful prophecy:

"Son, from this place the Gospel shall go out to all the world. As the stars in number above you, so shall be the number of them who will go from this valley to the four corners of the earth — with wonders, signs and miracles. Lo! from the far away places they shall come to this valley to be instructed and taught of my way; and from here they shall go to take the world my deliverance!"

Two years from that night Brother Leiendecker was in one of our Special services in Phoenix, Arizona, when God spoke to him again concerning his ranch, and said, "I want you to give this ranch to Brother Allen for my glory."

Not knowing God's plan — that He had laid on my heart the desire to build a great training center for ministers and Christian workers — Brother Leiendecker could not understand what we would do with the acreage. Therefore, he tried to sell the ranch, thinking God wanted him to give us the money it could bring for the furtherance of the Gospel. God miraculously prevented his selling the acreage. (This story is told in detail in our tract "The Miracle of Miracle Valley," available from our Dallas Headquarters.)

Last January (1958) during the great A. A. Allen Phoenix Camp held yearly in Phoenix, Arizona, I stood before the morning prayer meeting and told the group that had gathered there of the vision God had given me to build a Miracle Revival Training Center in which to train consecrated ministers and Christian workers to take this Gospel of the Miraculous to the uttermost parts of the world.

As I stood there, I felt the warm glow of the presence of the Lord so overwhelmingly. It seemed that He was again speaking to me, as He has so many times, assuring me of His presence and that we were there to see such manifestations of His power and glory as we had never seen before. I stated that I had felt for some time that the Lord wanted us to open a great place where people, old and young alike, with the call of God upon their lives, could come for either a short term or longer periods of training; a Center to instruct, prepare and equip them to be instrumental in reaping the now whitened harvest fields — with a miracle sickle! This was not to be just another Bible School.

"MIRACLE WEEK at 'MIRACLE VALLEY,'"

Victorious from the Beginning to the END!

OPENING DAY SERVICE

Monday: January 19th

As reported by Lottie Addy, Assistant Editor

THE LARGE BROWN TENT was up in Miracle Valley, ready for the first service of "Miracle Week." Alas, the power truck had not arrived! It was now 2:30 and still no power equipment. We must have the loud speakers, the power panel to operate the recording devices, to provide light for the tent and heat for the "heaters" to warm the huge tent and take away the chill of the night in the Arizona mountains.

When the devil begins to perceive that something or someone is going to hinder his kingdom, he is going to do something about it! Of course, the devil knew we needed that power truck, with all the equipment. That is why he struck at it.

First, one axle broke.

The tent supervisor, Brother Jerry King, sent the maintenance men out in another tractor to repair the broken truck axle. The power truck was on the way again!

Within a few miles, however, the axle broke again.

This occurred four times!

Word came to the afternoon service, which had just been opened by Brother Allen, that they were having all this trouble with the power truck. He had the audience stand and led that group of believers in rebuking the devil and binding him from hindering the arrival of that truck by the time it was needed.

He commanded, in the Name of Christ, that the power truck would come through, and that the service would be held in the tent that night as originally scheduled — for the glory of God!

God never fails! Within three hours THE POWER TRUCK WAS ON THE GROUNDS! "Oh, Hallelujah!" shouted all the people. God had again confirmed His word!

The tent erection crew, led by Brother King and assisted by Brother Everett Johnson, Brother James Allen and the willing students, all pitched in and got the wiring installed, the sound equipment up and the heaters going. The tent was ready for that great first night service as scheduled!

Praise God! Another victory had been won over the devil!
Back to the first afternoon service. How glorious!

Brother Allen began to enumerate some of the many miracles God had performed to enable them to have the "MIRACLE WEEK IN MIRACLE VALLEY," and to tell a few of the things the devil had done to hinder — to show how God had triumphed over the devil!

First, when lumber was needed for the concrete forms to lay the cement for the buildings, there was a strike among the lumber truckers which lasted for a month, so that lumber was not available. That hindered, but did not stop the erection crew. On they worked, and those who came to "Miracle Valley" for "Miracle Week" saw what God had wrought since January of 1958.

SEVEN (7) LARGE NEW BUILDINGS

As we have told you in MIRACLE MAGAZINE, when Brother Leiendecker gave the ranch land to Brother Allen in January, 1958, for the MIRACLE VALLEY TRAINING CENTER, there were no school buildings on the property; only the original ranch house and accompanying buildings.

Some workers came with house trailers. Others slept on cots in the ranch house, or in other ranch buildings, as construction began and progressed on the classrooms and other necessary buildings. As many as fifty people were fed three times daily in the old ranch house dining room. From time to time, Miracle Magazine has carried pictures and reports of the progress of this project.

Now, as we looked about us, we could see that seven large new buildings had been finished or were nearing completion for the use of students and workers, in addition to the modern trailer park, occupied by between seventy-five and a hundred trailers during "Miracle Week."

Though Satan had hindered in many ways, MIRACLE VALLEY TRAINING CENTER was going forward! Of course, the boy's dormitory did not have all the furnace equipment, and temporary heating facilities had to be utilized for the present, but God's presence hovered over, and no one long remembered the hardship nor inconvenience. Though the boys, at first, had to go to another building to take their showers, they did not mind because they realized that they were helping to build something for God that would be used for His glory long after their petty inconveniences were forgotten! They counted it a

School children walk toward the trailer city which houses part of the present population.

A NEW TOWN, community or subdivision in ever-growing Arizona is not uncommon, but there's a new settlement springing up in South-eastern Arizona that is unique.

The first residents there call it Miracle Valley—not because they consider it a spectacular boom town, but rather because they consider it a christian marvel.

There are about 150 settlers in Miracle Valley now. At least 500 more are expected in the next few months. Those who flock to this incipient town claim that they come for one purpose—to

establish a City of God. Outsiders are watching the proceedings intently, and a few have dubbed the new community as the "Canaan of Cochise County."

THIS NEW CANAAN, not yet a year old, is located in the San Pedro Valley just west of the old cattle town of Palominas on a mountain-fringed spread that not long ago was populated chiefly by white-faced Herefords.

Leaders of the Miracle Valley movement envision before long a Holy City of thousands of residents, their economy sustained by their own home industries. Steps already have been taken towards incorporating Miracle Valley as a city.

It is to be a glorious town, a place for young Bible students, a permanent residence for working families, also a spot for the older folks—all to flourish together under the word of God and the Arizona sun.

MOST OF THE pioneer residents now live in trailers but permanent structures are going up. School facilities are already in existence. There is a cinder block plant operating daily. There's also a water works.

How did it all begin?

Last January A. A. Allen, controversial revivalist preacher with the old-fashioned fire and brimstone delivery, was exhorting a large crowd under a tent at a prayer meeting in Phoenix.

Brother Allen, a vigorous Arkansas-bred human dynamo who reminds one of an ex-football player and Spencer Tracy combined, was speaking about the dream he had cherished for a long time—that of establishing a revival training center which could send youthful zealots out in the world to spread the Gospel.

AT THAT MOMENT, forward came Urbane Leien-decker, Palominas rancher, with an offer of 1,200 acres for the cause.

Brother Allen accepted the gift on behalf of A. A. Allen Revivals, Inc., of Dallas, Tex., and bowed his head.

It is said that Brother Leien-decker, a soft-spoken, contemplative cowboy, was "inspired" to make just such a gift a whole four years before he strode to the preacher's platform under the large tent in Phoenix last January.

BROTHER LEIENDECKER'S prolonged and burning inspiration came upon him suddenly one day, so the story goes, when he drove into the yard of his Palominas ranch home after attending church services. As he stopped the car, "the spirit of God flooded his soul. Every star in the universe seemed to swell into a burst of light around him, and God spoke to him out of that light: 'From this place, the gospel shall be preached to every nation in the world, even behind the iron curtain.'"

(Please turn to Page 14)

Urbane Leien-decker, Palominas rancher, donated 1,200 acres for the training center. He will study to become a missionary in the foreign field.

DELIVERANCE AROUND THE WORLD

"TO THE UTTERMOST PART OF THE EARTH..."

PASTOR DICK BAKER, CHICAGO, FINDS MIRACLE WORKING POWER OF GOD SPARKS NEW "MOVE OF GOD" CHURCH IN CHICAGO, FOLLOWING ALLEN CAMPAIGN

By transcription, as Rev. Baker spoke before the Dallas, Texas campaign congregation, on February 14, 1959

WE COUNT IT a privilege to have helped hold up the hands of this great man of God while he was in Chicago last August and the first part of September, in the greatest revival the city has known since the days of Billy Sunday.

And we count it a privilege that, when he left the city, he turned over to us many precious people, new souls. And his faith, the faith that was in his heart—he just shared with me! That helped me to open up a great REVIVAL CENTER. Now the city of Chicago has the only inter-racial, non-denominational, Pentecostal Move of God church in that area.

God has been blessing us in services, night after night, ever since Brother Allen left. One of our greatest desires is that Brother Allen will come back real soon, and bring his great party.

I'm Pentecostal through and through. I went through organizations, one after another, because I couldn't find Jesus like I wanted to find him. I found a lot of politics, a lot of strife, and a lot of division—but very little power. No miracles! No moving of God's Spirit! So, God called me out!

When I attend a meeting, I don't go just to get my soul blessed. I go to watch and to see what the man of God preaches and what he does—whether he is "in the Book, or out of the Book." I want to KNOW, because the Bible says, "These signs shall follow them that believe!"

I went to this great meeting in Chicago with my heart wide open. I was willing to be a water boy, to push a broom, to do anything, if I could just get some of this Miracle Working

"God Is Going To Use You, Young Man!" GENE EWING, DYNAMIC YOUNG EVANGELIST, IN GREAT REVIVAL IN COLUMBUS, OHIO

Four years ago, in a great deliverance revival in San Antonio, Texas, A. A. Allen looked down into the face of a young man. He saw there, not a young man who was as yet unfruitful in the kingdom of God, but the future of that young man as God would use him for His glory. As God revealed this to his heart, he pointed at the young man and said, "Son, God is going to use you! Before long, you will be going about over the country with a big tent, and with trucks, as I am now. God will bless you with a ministry of deliverance and of the miraculous!"

Brother Ewing reports that he and his party have found it necessary to cancel advance engagements in order to remain in Columbus much longer than they had at first anticipated, for even in the face of snow, ice, floods, and storms, God had sent a flaming revival to that city, as Jesus heals the sick, saves the lost, and works among His children from service to service. After the second night, it became necessary to secure a larger auditorium. And revival fires still burn.

PICTURED BELOW: Enthusiastic congregation gathers to see and hear Gene Ewing, as he preaches the gospel with power. Inset: This truck helps fulfill Brother Allen's prophecy concerning Gene Ewing, as it moves the Ewing revival equipment from city to city. At right: Ewing bows his head in prayer, as he prepares to bring the Word of God to the people.

MIRACLES

Mary and Dan Smith, and Rebecca.

OUR YOUNGEST MISSIONARIES, DAN AND MARY SMITH, ARE BACK IN MEXICO

Students at Miracle Revival Training Center Pledge to Help With Support

DURING MIRACLE WEEK at Miracle Valley, Dan and Mary Smith, of Mexico City, were introduced to the congregation there, along with other missionaries and prospective missionaries. Mary Smith is A. A. Allen's only daughter, and Dan is the son of Rev. Harvey L. Smith, manager of the headquarters office in Dallas, Texas.

These young people have given themselves wholeheartedly to God, and had already been blessed with a miraculous ministry, seeing many saved, healed and delivered in their pastoral and evangelistic work in the States before entering the missionary field to which they felt God had directed them. While studying Spanish in Mexico City, Dan has conducted services, with the assistance of a native interpreter, and has seen as many as 35 and 40 yield to Christ in a single service.

His testimony and consecration were an inspiration to the MRTC students, and many pledged to help with his support, as well as to give themselves to God for similar service as God leads.

The Smith's returned to Mexico on Feb. 15—arriving there just a few hours before the birth of their second child—little Allan Lee, born at 5:30 A.M., February 16. May God bless and use this young man, even in his youth and childhood, to win souls for Christ.

"...YE shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8).

SIGNS AND WONDERS REPORTED IN AFRICA

Evangelist Peter Scothern of England

Evangelist Peter Scothern, who has been reporting remarkable manifestations of the power of God through his ministry in England, is presently traveling with his staff in Africa. He writes from Nigeria:

AFTER a six hundred mile journey from civilization, over perilous roads, narrow gorges, and unguarded, crocodile infested rivers, we have reached the heart of the hot steaming jungles of Calabar. Twice, we narrowly missed serious accidents as our vehicle swerved to miss dangerous objects. Upon our arrival, native drums boomed their message through the dense forest, bringing hundreds of people from miles around to welcome us. By evening, they were teeming into the market square at Uneke to hear our message of FULL DELIVERANCE, and to see God work mighty deeds in the name of the Lord.

"Our primitive platform creaked and trembled under the strain. As the nearest electric supply was forty miles away, we relied on the full moon for illumination. The service commenced with spiritual melodies, accompanied by the beating of drums. This song of jubilation brought additional countless individuals from their mud baked homes.

"What an amazing sight, to see hundreds massed together, their white teeth and shining skins glinting in the moonlight.

"Our message was simple and to the point, as we fearlessly preached repentance and remission of sins, in Jesus' name, to a multitude of people who had never heard of television, nor seen a railway engine!

"Quietly, the multitude received every word with wrapt attention. Choruses of Hallelujahs followed each positive statement. Faith rose higher and higher until, like a cloudburst, God's power fell from heaven. Hun-

dreds at one time called upon the Name of the Lord to be saved. (Their decisions were genuine, and scores were later baptized in a nearby stream.)

"Then followed the most amazing part of the service.

"Many sick and diseased had gathered from the jungle villages. Leading their blind, assisting their lame, they gathered to a Christ whose power and ministry has never changed. Bound, afflicted, diseased, they awaited God's delivering power.

"First, we called the deaf cases forward. Some were deaf in both ears. With Holy Ghost authority, we cast out the spirits of affliction. One by one, the Lord delivered them all! The excited crowd shouted their praises to God. They jumped up and down for sheer joy, until the dust rolled like a cloud across the market square.

"Then, because so many were sick and afflicted, we instructed the people to lay hands upon their own bodies in the name of Jesus. We then prayed a mass prayer of Holy Ghost authority, rebuking every disease among the people. God's mighty power fell upon the multitude. Like the waves of the sea, it swept upon them. Many were miraculously released. The cripples jumped up and down and ran around. They pushed forward to testify. One after another, forty-five natives spontaneously declared what Jesus had done for them. A local pastor noted the details.

"A woman sprang onto the platform, jumping for joy. Her arm had been bitten by a scorpion, and had been swollen almost twice its normal size. It was instantly restored like the other.

"MIRACLE WEEK at MIRACLE VALLEY,"

(Continued from Page 6)

privilege to have been considered worthy to be one of that first group of students who had been chosen of God to go from "MIRACLE VALLEY" to the four corners of the world to preach the glorious gospel of signs, wonders and miracles! — To take His deliverance to the captive, the broken hearted and those whose bodies were wracked with disease.

Another mighty miracle that God performed in connection with the building was that when a large lumber bill became due and it was necessary to pay it by a certain date to enable them to take advantage of an \$8,000.00 discount, we all prayed for God to send in the amount that was needed. God answered prayer and sent the money — just in time to get the discount! The man to whom it was paid marveled when the testimony was given him of how God had intervened.

BED LINENS, QUILTS, BLANKETS DONATED

The next obstacle was a lack of bedding. Though we had published and broadcast that everyone should bring his or her own bedding, quilts and blankets, few of them did. Brother Allen was informed of this before the meeting closed in Phoenix and made an appeal there. God performed another miracle! Sheets, bedding, blankets and quilts began piling in. Again the need was met! Students at Miracle Valley made plastic "Air Mattresses" (using a machine available there for industrial training) to supplement the supply of mattresses already available. All rejoiced that they could be there for this great opening week. They were going to be privileged to sleep on the same kind of beds the students slept on.

Brother Hutchins, from Brooklyn, New York, was there with us. We praise God for the friends in Brooklyn, New York, who so generously provided the beds, cooking facilities and school desks and chairs that we have now. Without them, we hardly know what we would have done.

CAFETORIUM MANAGEMENT PROVIDED

Assistance was needed in the management of the cafetorium. God stepped in and provided the person needed. There was a lady working in a Cafeteria over in Scottsdale, Arizona, the widow of an Assembly of God minister, to whom God was talking. She had a son in high school who, like so many of our teen age boys of today, was subjected to the manifold temptations of this world, which prevail in the public schools. She longed to be able to place him where he could have Christian high school training. Miracle Valley Christian High School provided just that. Could she put him there? As she prayed about it, God spoke to her and said, "You are going to 'Miracle Valley and take over the Cafetorium there." She came to "Miracle Valley" just at the beginning of "Miracle Week."

As you walked about among the people, you could feel that spirit of cooperation which is necessary to build for God. If there was no salt in the potatoes, each person salted his own and praised God. If the men at first felt the lack of proper heating in the boys dormitory, each one pitched in to help make the other man comfortable and soon felt warmed inside, until all found themselves rejoicing in what God had done for them.

GOD SENT HIS PRESENCE "IN A CLOUD"

Another precious thing that God did for us was to send His presence, in the form of a brightly illuminated cloud to hover over "Miracle Valley." Many driving in early from Phoenix — before the sun arose — were privileged to see this beautiful symbol of His presence. How Glorious! As with the Children of Israel marching toward Caanan, God was showing His children in "Miracle Valley," that He, too, was leading them on to victory!

As Brother Allen was recounting (during the afternoon service) these miracles that God had performed in behalf of Miracle Revival Training Center and Miracle Valley Christian High and Grade Schools, a lady teacher on the High School staff, with a true gift of prophecy, began prophesying. This prophesy is

given in its entirety in the story titled "God Led Them . . . in a Pillar of a Cloud . . ." on page 5 of this magazine.

GOD SPOKE IN PROPHECY — "THIS VALLEY IS MINE!"

The heart of her message was that God said, "This valley is Mine — from mountain top to mountain top have I walked across it. I have chosen this valley for My own; I have named it, and have chosen it for this particular time . . . I have called my servants from the North, South, East and West to come here to prepare themselves to be sent with my Gospel of the miraculous to the uttermost parts of the earth . . . to gather the ripened grain in the whitened harvest fields . . . I have named this valley and created it for my own!"

After she had stopped speaking, Brother Allen declared:

"Friends, you are on holy ground — ground on which God has walked! This is better than miracle shavings. There is more of it. I would like for you to take some of this soil home with you. I will tell you more about how God has been talking to me concerning it, in a later service.

"God has been speaking to me about the field that is white already unto harvest . . . the harvest that He has called us to gather! Its ripeness breaks my heart! God said, 'The grain is ripe and falling — the devil is trampling it under his feet.'

"God has not called us to stand on the side lines and let the devil trample the golden grain under his feet. We have come here to prepare to gather the harvest. If 'one can put one thousand to flight, two can put ten thousand to flight.' Just by adding another person, another thousand can be put to flight.

"Will you be that man?"

"This is why the devil is trying to keep the people out of the harvest. Get your sickle here in 'Miracle Valley.' I am praying that God will put a sickle in the hand of everyone who comes; that God will make it sharp, because of the lateness of the hour — because of the whiteness of the harvest.

"We must get out into the harvest field! While we tarry, the devil is going to trample many of the little ones to death.

"In MIRACLE MAGAZINE, we told you to come expecting a miracle! One of the greatest miracles you could ask for is that God will give you a supernatural sickle to enable you to reap the greater harvest.

"Within a few months — perhaps days — the sun is going to set for the last time. Eternal night will come upon the land. The sun is sinking — going down on a whitened harvest field, but God has placed His presence in the clouds over this valley to let us know He is here with us — that He is the God of Miracle Valley. We are on Holy ground!"

SACRIFICIAL DONATIONS MADE TO COMPLETE SCHOOL BUILDINGS

All present felt the conviction so prevalent that each prayed — "Lord, I want a miracle in my life this week — not only in my physical life, but in my spiritual life. God grant that my life may become a miracle for the sake of others!"

The afternoon service was climaxed with such a burden to complete the buildings needed for the Miracle Revival Training Center and Christian High Schools and Grade Schools that the people began coming forward — even without an appeal being made to them — to make sacrificial gifts to help complete the buildings needed. Never have I seen the spirit of giving come upon people in a greater way. One lady brought her diamond ring and placed it on the altar. A man present was so moved by her sacrifice, he put the price of the ring in the offering for her and asked Brother Allen to return her ring to her. A young Bible student came forward and gave his watch. His sacrifice so moved Brother Allen that he burst into tears and said, "I cannot take this student's watch. He needs his watch in his work!" Therefore he, himself, put the money in the offering to pay for the watch and returned it to the student.

These were such touching sights. I had long prayed that I could witness such a moving of God's Spirit, in just that manner. I thanked God for letting me be present that day.

There were many others who made like sacrificial gifts; who brought their money and possessions and placed them on the altar, giving them to God. All of our hearts were warmed to have the privilege of witnessing such a manifestation of the gift of sacrificial giving, which has made the "Miracle Valley" Christian Grade Schools, High School and Miracle Revival Training Center the reality we were beholding in that beautiful acreage between the two ranges of mountains, which has been named "MIRACLE VALLEY."

We could see that God was already cracking down on the devil in 1959!

GOD CONTROLS WEATHER FOR MIRACLE WEEK

Next, He controlled the weather. The West is noted for her sandstorms certain seasons of the year. The dust began to blow. Again, Brother Allen, with the group of believers, rebuked the wind and dust. A great calm came for the night's services, and remained throughout the rest of the week. That night, in the service in the tent, a man arose and testified how he and his family had driven through such a severe wind storm up to within one mile from the tent. He said that, as he inquired directions to the tent in "MIRACLE VALLEY," he was told

THE CLASSROOM BUILDING where Brother Allen preached the opening service of "Miracle Week." (Indicated by arrow)

From the very beginning, God's power was manifested in a miraculous manner. Here God assured the people again, through prophetic utterance, that this was "His Valley," and that He had called the people here for this "Miracle Week" — away from their routine lives for this special time of dedication and blessing and that He would perform some of the greatest miracles here that He had yet performed. This promise was confirmed before our eyes.

where to come but the man giving him instructions said, "You will not find a tent up there — they could not possibly keep a tent up in this terrific wind!" (It was estimated at around 65 miles an hour.). They came on to "MIRACLE VALLEY," anyway, trusting God to protect them and found that God had calmed the wind from within a mile of the tent, around it and the buildings of the Miracle Revival Training Center.

Naturally, there are skeptics who will say this is only imagination, but the Lord said, "In the mouth of two or three witnesses every word may be established." (Matt. 18:16). Two of our ladies from the Dallas office drove to Sierra Vista after the service. God showed them that what the man had testified was true. Within one mile from the tent there was such a (estimated there at around 65 miles per hour) that it nearly blew cars off the road. Cars had stopped along the roadside to wait for the wind to subside. The wind was so strong, a person could hardly stand up without holding to something.

God's hand was over "MIRACLE VALLEY!" He had given in prophecy and interpretations the assurance that His presence would hover over the place; He would protect it by His power; He would rebuke the wind and the sand, for His glory!

Again, we praised God that we serve a God of Miracles!

As the man gave the testimony about the storm so close to the Valley and how calm it was in "MIRACLE VALLEY," Brother Wooten (Pastor of "Miracle Valley") arose and told of the prophecy that had been given in the Sunday School service the day before, assuring His people that He would do just that for the great "Miracle Week in Miracle Valley." Our God never forgets His own!

All this was just the beginning of a glorious week of blessing at "MIRACLE VALLEY." After the angry wind and billowing sand at the beginning, the weather was beautiful — as the smile of God. Even an outdoor Barbecue was greatly enjoyed.

We look forward to an even greater blessing when the big new tent is set up in "MIRACLE VALLEY" in August!

"GOD LED THEM IN A PILLAR OF A CLOUD! . . . " (Ex. 13:21)

(Continued from Page 5)

At that instant, God again began to speak, through prophecy, and declare that such a place was in His mind. He assured us that His blessing would be upon the school; that He had selected the place for it Himself and would prosper and bless all who would give and help to make its success possible.

What has happened during the past year has proved that these promises and assurances were true.

We now have in "MIRACLE VALLEY" nine buildings either completed or in the process of completion, which stand as a monument to the faithfulness of God.

We have advertised and told you about "MIRACLE WEEK in MIRACLE VALLEY!"

Those dates are now history, but again God confirmed by His Word, through prophecy, and by His manifested presence that He was with us and had placed His hand of approval on all that we were doing.

During the Phoenix Camp, the weeks preceding "MIRACLE WEEK in MIRACLE VALLEY" as people were moved upon by the Lord to come forward to donate specific gifts for "MIRACLE VALLEY," God again spoke through one of our teachers, who has a genuine gift of Prophecy, these words:

"Yea, thus saith the Lord, that is my valley. There have I called my people; Yea, I have ordained it. In the beginning, in the earliest centuries, have I ordained that valley. When I laid the foundations of the world; when I placed the heavens above, when I didst lay the water and the seas; yea, at that time did I make that valley. Yea, I did walk in it; I walked from mountain to mountain.

"Yea, I say that into that valley will I call my people and from that valley will I take my servants. They shall go forth and I, the Lord, thy God, shall go with them; yea, from that valley shall I send them forth — for my harvest fields are ripe and I have looked upon them, my harvest, and I have said — 'Where are my laborers? There are so few! The fields are white and the sheaves falling! There are many that I have called; many that I have chosen.'

"Yea, I say unto you, I have said in my heart, 'I will set my valley aside; I shall call my people, those who will harken and listen unto my voice . . . I will endue them with power through my Holy Spirit.'

"Yea, I, the Lord, have spoken unto my people that I the Lord, thy God, will walk among them and will speak through them . . . They shall go forth to reap my harvest — my chosen, and from that valley I shall take forth my workers. They shall come from the East, from the West, and from the North and from the South, to prepare there to go into my whitened harvest fields for I, the Lord, saith unto thee:

'I will open the windows of heaven, and I will pour out of my power; And I will bless thee and will give thee that which thou hast desired.'"

This prophecy came forth in the Phoenix Campaign first, then it was repeated three different times in MIRACLE VALLEY, (during the "MIRACLE WEEK" there), through two different people and again given through the same person identically. The Lord said that everything should be established

through the mouth of two or three witnesses! (Matt. 18:16).

In addition to His confirmation, through prophecy, that He had set His stamp of approval on "MIRACLE VALLEY," had walked across it and set it aside for His Training Center, He also placed Himself above it, hovering over the Valley, in the form of a cloud, during "MIRACLE WEEK."

One of the sweetest things that the Lord ever did for me was on the way from Phoenix, Arizona, to "MIRACLE VALLEY"—as our tent pianist, David Davis, and I were driving there early in the morning on January 19th. His presence hovered over us so sweetly, as we drove along, in the form of a beautiful, brightly illuminated cloud which extended from where we were, near Fort Huachuca, out and over the entire area of "MIRACLE VALLEY."

Our Phoenix Camp had been so glorious, but there the devil had fought us so greatly. I was so exhausted and I felt as Elijah that day, when he said, "Is there anyone left to stand with me." Remember how God answered him: "I have yet 7 thousand who have not bowed their knee to Baal." More than that assurance was the remembrance of that instance when Elisha prayed for his servant and God opened the eyes of the young man and he saw "The mountain was full of horses and chariots of fire round about. . ." (I Kings 19:18; II Kings 6:17).

Then I looked up toward the heavens and saw one of the most glorious sights I have ever seen. It was the presence of God, in the form of an oblong, brightly illuminated cloud, blue white in color, which was hovering over us and "Miracle Valley" — floating gently above us and covering the entire "MIRACLE VALLEY." As God led the Children of Israel "in a Pillar of a cloud by day . . . and by night in a pillar of fire . . ." (Ex. 13:21), so was the Lord preceding our entrance into "MIRACLE VALLEY" with one of the most brightly illuminated clouds I have ever seen.

Some may say, I was only imagining it, that it was the reflection of the moon. That was not true. The moon had set and the sun had not yet risen. All was totally dark.

My tent pianist (David Davis) was with me, and he saw the same thing. More than that, as stated above, the Lord said, "Let everything be established in the mouth of two or three witnesses. The next morning two of our ladies from the Dallas office, driving out from Sierra Vista, again saw the same cloud, and we had at least four other people testify publicly in the services that they saw the same cloud.

When we told the audience about this in the service, the pastor in "MIRACLE VALLEY" (Brother Wooten) and Brother Pike, one of the teachers in the Bible School, arose and gave this testimony. During the Sunday School on the previous day, and during the Sunday church service, the Lord's presence had been so mightily manifested to the group there and He had assured them, through prophecy, in these words:

"I, myself, as a cloud, do hover over this Valley: even as I hovered over the Children of Israel in a cloud, so do I, likewise, hover over "MIRACLE VALLEY."

Truly, human words can never describe the mighty presence of God that we, who were in "Miracle Valley," felt throughout "Miracle Week" nor can an artist adequately depict it on canvas — but we know it was the power of God and, since it was supernaturally given, we accept it as supernatural and know that without Him we can do nothing! It is "not by might, but by His power" that we will see the reality of the vision of "Miracle Valley" that God has given us.

Of this I am sure, that God — by the presence of this cloud — in the darkness of the night, let us know HE NOT ONLY IS WITH US IN THE OTHER PHASES OF OUR MINISTRY, BUT IS ALSO PRESENT, IN A VERY SPECIAL WAY, AT MIRACLE VALLEY! And that, inasmuch as He is present there, MIRACLE VALLEY IS IN THE PERFECT WILL OF GOD and will continue to be blessed of the Lord! Therefore, all those who have a part in helping build "MIRACLE VALLEY" will share in that great ministry which God ALREADY HAS ORDAINED FOR US — AND OF WHICH HE IS TAKING A PART!

THIS MAN'S HOSPITAL ROOM!**

BROTHER ROBERTS rejoices and praises God as he shakes hands with Brother Allen, whose ministry was responsible for his miraculous recovery.

BROTHER and Sister Roberts stand beside their pastor (upper right), Sister Myers, as she verifies the testimony that God performed a miracle in his life. Note the joyful expression on the face of his wife (left) — just one week after the doctors had told her that her husband could not possibly live and that, if he did live, he would be paralyzed the rest of his life.

Brother Allen presents Brother Roberts to the audience to give his testimony of how God miraculously delivered him from Spinal Meningitis and double pneumonia, while he listened to the ALLEN REVIVAL HOUR.

Brother Roberts, pictured here, was dying with Spinal Meningitis and double pneumonia. The doctors had told his wife there was no hope for him whatsoever — that, in the event he did live through the illness, he would be paralyzed the rest of his life.

On the second Thursday morning of Brother Allen's Campaign in Dallas, Brother Roberts turned his radio on to the ALLEN REVIVAL HOUR over KSKY at 9:45 A.M. While lying on his bed in a hospital in Fort Worth, Texas, listening to Brother Allen preach and pray for the sick, the power of God came upon this man and filled his hospital room.

GOD PERFORMED AN INSTANT MIRACLE IN HIS BODY — he was completely healed and delivered!

The doctors in charge of his case verified his healing and dismissed him from the hospital. One week later, his pastor — shown above with him and his wife — brought Brother Roberts to Brother Allen's Campaign in Dallas to give this testimony. She then confirmed the facts stated above.

Friends, this is just one example of how your money enables us to take this Gospel of the Miraculous into the homes of the millions around the world who cannot get to one of Brother Allen's campaigns.

Canaan Of Cochise County

(Continued from Page 7)

AFTER LEIENDECKER'S land gift, a virtual deluge of other gifts poured in, including a Caterpillar tractor and a truck. Soon immigrants came. Miracle Valley was established. Settlers came to Cochise County and Miracle Valley from California, Pennsylvania, Arkansas, Ohio, North Dakota, and other places. Some of them are single persons, many of them young men. Other settlers are married with growing families.

Brother Allen, by means of weekly radio and television programs, reaches a national audience. He sings the praises of Miracle Valley. As a result, a holy population and material gifts have come to this "promised land."

In the meantime, A. A. Allen Revivals, Inc., has negotiated the purchase of another 1,200 acres from Leien-decker's brother, Ben, for a reported \$45,000.

Miracle Valley plans to incorporate as a city shortly, when a population of 500 is achieved.

And what will a model religious town with people and houses do for a living?

Here's a partial list of planned projects: A cinderblock factory (already in operation and turning out 300 bricks a day for construction of a school plant, which includes two buildings already built and 16 more to come); meat packing and processing plant for distribution to wholesalers; plastics factory; phonograph record pressing plant (now operating in Hollywood under ownership of A. A. Allen Revivals, Inc.); mattress factory (now operating in Dallas); incinerator factory; bakery; shopping center with food market; modern motel; furniture factory; laundry and dry cleaners; modern service station; pumping plant (with three wells,); old peoples' home; trailer park; dairy, with pasteurizing plant; post office; lumber yard; airport.

DESPISE THESE overtones of every-day, self-supporting commercialism, Brother Allen insists that his dream city of model ordinances, factories, and recreational facilities will revolve around the Revival Training School which is intended to remain the nucleus of Miracle Valley.

Majority of the men among the 150 people already settled in trailers at the encampment are now earning their room and board, plus a little spending money, by pitching into the herculean task of building the revival school and other buildings.

One hundred grade school children and high school boys and girls are attending school in Miracle Valley.

BUT THE BIG thing in the Miracle Valley Revival Training Center is the Bible School, which opened in October. Allen expects within 500 and 600 in attendance before long. Over 150 students are already attending classes.

Miracle Valley, although a demanding religious place, is to be non-denominational. Brother Allen claims to profess to no particular established religion, and his followers consider the different religious paths as beset with thorns. They want the direct road, and find theological subtleties risking, so they claim.

Yet, their Bible School catalog states clearly that "some sort" of doctrine is espoused. "Students are not compelled to agree with all points of doctrine, but contention and confusion due to any such differences of doctrine will not be tolerated."

RESIDENTS OF Miracle Valley, of course, will be expected to refrain from the use of alcohol, tobacco, hair-dyes, lipstick, and rouge. Women will not go about in slacks or off-the-shoulder gowns. There will be no young men lounging about aimlessly, sporting duck-tail hair styles.

Sale of liquor will be especially taboo. Those residing in this new city will be expected to observe the Sabbath with religious vigor.

Although Arizona will not permit municipalities to pass laws in regard to the sale of tobacco, Dallas Attorney Cecil Woodgate explained that property would be sold only to businesses that agreed to refrain from the sale of smokes. A breach of the covenant would return the land to the seller.

Meals are served to Miracle Valley residents in a cafetorium on surplus army trays.

ALL LAND SOLD in Miracle Valley will be burdened by similar restrictions, thus insuring the revivalists that the community will retain the atmosphere they think worthy of a "City of God."

Needless to say, many neighbors of Miracle Valley in Bisbee, Sierra Vista, Douglas and other Cochise County communities are a bit skeptical of this strange new settlement.

They didn't really expect a town, only "some sort" of a seminary or Bible school. But the consensus now is: "I guess it will be fine if it works out."

Communal spirit of the training center is evident in this sign.

The 9,000-foot Huachuca Mountains are a backdrop for construction of the girls' dormitory.

**MIRACLE VALLEY
CHRISTIAN
HIGH SCHOOL NIGHT**

Wednesday: January 21st

BROTHER ROBERT SCHAMBACH opened the service by introducing to the audience the "Miracle Valley" Sextette. He asked each of them to give a short word of testimony (given below) after which they sang — "Let Me Tell You About Jesus."

"Well, I went down to the altar,

I knelt down to pray;

My soul began to tremble, and the joy began to roll,

Let me tell you about Jesus, How he gladly saved my soul. . . ."

My! How such anointed singing blessed the soul of every one present under that tent!

Following are comments by the members of the sextette:

This is *Bill Somerville*: "There's nothing like 'Miracle Valley' for young people!"

Brother Schambach: "Now, here is *Peggy Baber* from Lima, Ohio."

Peggy: "It's the best!"

Brother Schambach: "That's teenage language for you, but what could say more? Just three words — but they sum it up — 'It's the best!' She speaks our sentiments!"

"This is *Larry Ventura*."

Larry: "I, too, think 'Miracle Valley' is just THE BEST! I've been here five months and I have a greater determination to serve the Lord. I'm from McKeesport, Pennsylvania."

"This is *John Ann Anders*."

John Ann: "I am from Dallas, Texas. I think 'Miracle Valley' is really a land in the sun and a school of deliverance. It is a wonderful place for young people who want to be real Christians."

Brother Schambach: "Here is *Harley Erwin*, from Denver, Colorado."

Harley: "I have attended a lot of different schools in my life, but I just love it here. I don't want to be any other place in the world. I praise God for Christian teachers and the wonderful Christian atmosphere we have."

This is *Annette Cordis*, from Hanning, Minnesota. Anette's mother and father are here, too.

Annette: "I love 'Miracle Valley.' It's so wonderful to live day by day where — as you walk around the school grounds — you can feel the presence of the Lord with you all the time. In the Bible School, the Lord comes down and takes over the services and it's marvelous!"

Brother Schambach: "Isn't that wonderful!"

"Some of you reading this magazine, are going to say, 'What is 'MIRACLE VALLEY?'"

"It is MIRACLE REVIVAL FELLOWSHIP'S TRAINING CENTER, where hundreds of young people, not only in our Christian High School, Junior High School and Grade school, but in our Bible Training Center, are being trained to live, preach and teach as our Lord instructed us to do, and set the example for us to follow.

Testimonies of parents and pastors:

M. Cordis, father of Annette Cordis (member of Sextette), from Hanning, Minnesota — "I thought 'MIRACLE VALLEY' was great before I came here, but I didn't realize it was so wonderful! For a long time, I have been looking for just such a place (where the whole Bible is taught, in all its truth and purity, from beginning to end) in which to train my children: to prepare them to go out into the mission fields to serve the Lord Jesus Christ. You find the true walk of Christ in these schools. That is what we need more of in America! I say, we, as parents, should stand behind this school with everything we have!"

Mrs. Crowder, Wenatchee, Washington — "I can't begin to tell how I've enjoyed coming to 'MIRACLE VALLEY.' Before we left home the Lord spoke to me and said, 'My Daughter, I'm sending you to "Miracle Valley".' Hallelujah! I know God brought us here. On the way here, God also gave me a vision of this place. I was raised on the farm; I saw carrot tops waving in the breeze. I saw a beautiful orchard up there, with large apple trees, peach and apricot trees, all in bloom. They were so beautiful! I have a couple of teenage boys and I plan to put them in this Christian school, because we know there is an atmosphere and training here that they cannot find in the public schools."

EDITOR'S NOTE: During "MIRACLE WEEK" our friends made it possible for us to purchase a large number of fruit trees; therefore, since we were there, a large orchard has been set out in "Miracle Valley." Thus, the vision the Lord gave this sister — before she reached "Miracle Valley" has now become a reality!

Rev. Donald Skelton, Pastor, Victory Tabernacle, Dallas, Texas

The very name of this place, to me, is the best description of it I could give — 'MIRACLE VALLEY.' In just a few months' time (one year) thousands upon thousands of dollars worth of buildings and equipment have sprung up here, almost as if out of the ground. IT IS TRULY A MIRACLE!

"Some of the members of my congregation are here in this school, and I thank God for it. Brother Allen, as a pastor for over 20 years in Dallas, I can say, I heartily recommend this great work in "MIRACLE VALLEY!" It has impressed me very, very favorably!"

Brother L., Casper, Wyoming — "I thought I would be prepared for what I've found here, but I wasn't. It's a bigger miracle than I expected! The training these students are getting in the ways of God, and the things pertaining to Christianity, real, old-fashioned holiness, is a wonderful thing and I suggest that each one of you come here if you can!"

Pastor Loker, Hersey, Michigan — "Truly, I have been greatly and very favorably impressed by this MIRACLE REVIVAL TRAINING CENTER, and the 'MIRACLE VALLEY' Senior, Junior High and Grade schools. I have felt and found a fellowship and love among the teachers, faculty, workers and all the peo-

Above: M. G. WOOTEN, PASTOR AT "MIRACLE VALLEY," welcomes the "Miracle Week" visitors under the Miracle Revival Tent.

At Right: AN AFTERNOON CROWD leaving the tent at the close of the service. The Revival tent appears like "another mountain, rising out of the valley floor."

Below: REV. A. A. ALLEN, "AT HOME." This house trailer provides home, radio studio, and private office for A. A. Allen. He lives for his work and the great ministry God has given him. Here he spends much of his time between services — even after services at night — at his desk or in the "radio room" in this trailer, preparing broadcasts, or writing books or articles. This trailer was his home during "Miracle Week," as even at "MIRACLE VALLEY" Brother Allen has no home other than his "home on wheels."

ABOVE: Construction continues at Miracle Valley. Library and administration building nearing completion, floor and roof still needed. Even the buildings now in use will require much time and effort before details and finish are complete.

BELOW: Original ranch buildings, taken during "Miracle Week." These include the barns, machine shop, corrals, slaughter pens, and the ranch house — now used as record factory. Also, in this group of buildings is included the cinder-block factory which has produced all the blocks that have gone into the new buildings.

ALONG WITH BROTHER ALLEN'S TRAILER, many others gathered in the modern trailer park provided at "Miracle Valley." More than fifty families live in trailers in this park while working or attending school, in addition to the great number living in the dormitories.

DURING MIRACLE WEEK, food for the soul was always at the top of the list, but the cafetorium also provided three excellent meals every day, served to the visitors as to the students, cafeteria style on surplus army trays. Here, the waiting line completely circles the large dining room, as nearly two thousand meals are being served.

MOVED OUT OF DOORS, for one of the largest meals. On the closing Friday evening, two yearling steers were barbecued over an open pit in front of the girls' dormitory. Served with barbecued beans, cabbage slaw, and steam-baked potatoes, with all the delicious tender meat they desired, everyone went away satisfied, but the left-overs were no problem! AT RIGHT, James Allen carves and serves. BELOW, the "Miracle Valley" Girls Trio, accompanied by Jerry McKinney on the accordion, provide "dinner music."

LOWER RIGHT: Another scene at the barbecue. The line extended back for hundreds of feet, all the way to the tent. Note the men's dormitory building in the background.

MISSIONARY NIGHT

"FEAR THOU NOT TO GO FORTH...!"

Friday: January 23rd

Brother Allen, Brother Wooten, Pastor of "Miracle Valley," Dr. Miller, Brother Gray and Brother Pike lay hands on Rev. and Mrs. Daniel G. Smith, the first two missionaries to be sent out from MIRACLE REVIVAL TRAINING CENTER. Sister Smith is Brother Allen's only daughter.

"... The Holy Ghost said, Separate me Barnabas and Saul for the work whereunto I have called them. ... And when they had fasted and prayed, and laid their hands on them, they sent them away."

Acts 13:2,3)

Prophecy: "I, the Lord thy God, will anoint thee with a special anointing. Ye, my children, be not afraid to go forth for I, thy God, have called thee and will go before thee! Thou shalt not fear to go forth, for I shall be with thee!"

By REV. A. A. ALLEN

THIS SOUNDS LIKE Bible days, when the Holy Ghost spoke and said, "Separate me Barnabas and Saul for the work to which I have called them."

We might say, "Separate me Dan and Mary; separate me Sister Jones, Brother and Sister Richardson; separate me Brother Thomas — and the many others here that God has called to help harvest His whitened fields."

We are not going to stop with sending out two missionaries, three, or even a dozen. These we are sending out from here tonight are only a symbol of that great number which are to go from this TRAINING CENTER unto the uttermost parts of the world with the blessed Gospel of the miraculous, accompanied by wonders, signs and miracles. God, through His Holy Spirit, has promised us that from this place shall go a great number, even as the stars in the heavens and as the sands upon the sea shore.

We are going to show the pictures tonight (Friday night of "Miracle Week") which we took of our missionary tour in India. Brother Thomas will remember them. The one thing that touched my heart there, more than any of the other scenes; was the rice harvest in India. Not a bit of it was standing. Every bit of it was white on the ground (just as the prophecy the Holy Spirit has given to us of the whitened harvest field of the world). God seemed to speak to me and let me know that field is the world — and the world is God's harvest field. It must be harvested now!

It must be harvested quickly, with a supernatural sickle. That supernatural sickle is signs, wonders and miracles, which are to operate (and must) in our lives, through the Holy Spirit's anointing. We are going to pray for each of these we are sending out, and for every one of you here tonight who feel the call of God on your life, that God will give you a double portion of His Spirit, that you will have a supernatural anointing to go out into this world to help reap the harvest that is now lying on the ground! God is going to impart to you every heavenly blessing, every gift (as He wills) to enable you to do a quick work of gathering in His sheaves before it is eternally too late.

God has promised you tonight, through supernatural utterance, that you would see wonders and miracles that He would do through you, if you would lean on Him and permit Him to guide you. He promised you that He would provide for your needs, that no evil would overcome you, that He would lead you forth to where He has called you to go; to minister to the heathen, to deliver them from the darkness of sin and superstition and from fear. He has promised you that He would give you supernatural revelation; that you would know His will; that he had given you the gifts of healing, miracles, divers kinds of tongues and of prophecy — that you could go forth and serve him to do a quick work! He has told you that, as you obeyed His voice, you

NEEDED IMMEDIATELY for Miracle Revival Training Center

2,000 Sheets, 2,000 Pillow Cases and 1,000 Blankets!

FRIENDS — HOUSEWIVES! Do you have sheets, pillow cases or blankets, which are not in use, now stored in your linen closets?

We need at least 2,000 sheets, 2,000 pillow cases and 1,000 blankets to furnish the dormitories in "MIRACLE VALLEY."

CAN YOU HELP US?

Will you put your extra linens and blankets to use for God — rather than leave them in your linen closets for moths to destroy?

Many people have stored in their homes, linens which they will never use.

Help us by taking some of them out and sending them to "Miracle Valley" to be used for God!

This would also be a worthy project for your Sunday School class, Missionary Groups, or Young People's Groups.

The need could easily be met — if each person who reads this would be responsible for bundling up two sheets, two pillow cases and one blanket — and mailing them to:

**MIRACLE REVIVAL TRAINING CENTER
P. O. Box 638, HEREFORD, ARIZONA**

(If you can send only one blanket, one sheet or one pair of pillow cases — that will help? And God will bless you for it!)

Other linens, fixtures and equipment that would be useful and gratefully appreciated by the students: Bedspreads, towels, wash cloths, small rugs, lamps, mirrors, irons, steam irons, ironing boards, hair dryers (portable) and bathroom scales.

If you have any other linens, fixtures or equipment that you feel we could use in "Miracle Valley," write me a letter and describe in detail anything you have that could be used in the school which you could send, or have one of our trucks pick up, and we will instruct you further where to send it.

Address all correspondence concerning gifts, offerings, etc., for Miracle Revival Training Center to:

would bring forth mighty signs and wonders; that you would see the captives delivered, who have been bound and groping in darkness for centuries.

God has promised tounctionize (empower) you, to teach you, and to use your minds, to give you the deeper teachings that others have not known. He has assured you that He has called you to this "MIRACLE VALLEY" to prepare you that He could send you forth in strength and power. He will give you that which you will have need of, only ask of Him the heathen for thine inheritance. He has said, "Whatsoever thou dost ask of me, I, the Lord thy God, will give it unto thee."

Therefore, I command you, in the name of Jesus Christ, to march steadfastly forward. He, your God, is with you!

I thank God for every one of them. In the future, I will do my best to send every young person I can to this place. I highly recommend it!"

AFTER THE SEXTETTE WAS INTRODUCED and gave their testimonies, and the other testimonies were given, the Holy Spirit gave a message through a supernatural utterance of tongues with interpretation. The essence of that message was as follows:

"My people, consider thou the sheaves that are white already to harvest . . . consider how they lay close to the ground . . . consider the ones that are broken, burned and bruised . . . the Evil One has set his wits against them. Yea, my people, their voices do rise unto me; their cries do enter into my ears . . . My people, lift up thine eyes and look upon the fields which I, thy God, hath already shown unto you. Harken unto my cry, unto their cries. Yea, I have called, I have spoken, I have pleaded . . . I say now to you, who are called by My Name, 'Go ye unto all the world and preach my Gospel, go ye and heal my sick, loose those who are oppressed, cause the blind to see, and say ye unto the lepers, 'Rise and walk!'; Go ye unto those that are possessed of the Evil One and say, 'Be thou clean and free!' Yea, I say unto you, I shall go with thee, I shall work through thee, I shall be thy God and thou shalt be my people . . . Yea, I say unto you, Go ye! for this is my day!"

As this message was being given, Brother Allen just stepped to the front of the platform and raised his arms toward the students, signaling them to obey God. Immediately, almost as one person, this group shown at right (only a part of the large group who responded to the call to dedicate their lives fully to God's Service) flocked to the front of the platform in tears, with arms up-raised in surrender, saying —

"Pll Go Where You Want Me to Go, Dear Lord — O'er Mountain, or Plain, or Sea!"

REPORTS FROM ACROSS THE NATION declare that wherever the new series of MIRACLE RECORDINGS are being played, revival is breaking out, whether they are being heard in churches or in homes.

Many, who have never had a ministry before, are now being blessed as they invite their friends into their homes to listen to a MIRACLE SERVICE, just as it happened when recorded on Long Play recordings.

One Evangelist, whose report we carried in MIRACLE MAGAZINE recently, stated, "I played the recording of the devil speaking, titled 'I AM LUCIFER,' in my services recently. The people in my campaign were stirred as never before. We had the greatest deliverance services we have ever had in any of my meetings.

"After the recording was played, many came for deliverance and devils (demons) really came out, 'crying with loud voices!'"

YOU, TOO, can have a real ministry of deliverance by securing and playing these records in your church or home, as the man has done who sends this letter to us from CLEAR LAKE, MINNESOTA:

"Dear Brother Allen:

"I am writing to tell you of some wonderful miracles that have happened in humble farm homes in my community.

"Last Sunday (Christmas Week), in my home, I played your record 'HOW TO HAVE GOD'S FAITH' to a man who had suffered with a crooked back and a stiff knee for over eight years.

"While the record was playing, my neighbor suddenly began kicking his leg back and forth and said, 'Brother Rose, my leg is healed! Praise God!' Then he asked me to run my hand up and down his spine and feel how crooked it was. It had been that way for years. In his lower back his spine had become twisted to the left about an inch. The doctors had told him there was nothing they could do for him.

"As soon as I had established the fact that his back was crooked, *the Lord touched him* — and HIS CROOKED SPINE WAS MADE PERFECTLY STRAIGHT!

"THIS HAPPENED WHILE THE RECORD WAS PLAYING!

"I was amazed! So was the man's wife! My friend was almost overcome with joy! He jumped up and down for joy and said, 'What a wonderful Christmas present from the Lord! HE HAS HEALED ME! OH, PRAISE GOD!'"

"He then sat down and wrote his testimony (the original signed testimony is on file in our Dallas Headquarters office — Editor's note) even without my asking him to do it.

"I took the record over to the home of another friend who had heart trouble. After he had listened to this record only a few minutes, he said, 'Brother Rose, THAT PAIN HAS LEFT MY HEART!'"

"Brother Allen, it is so wonderful that we (who do not have the privilege nor opportunity to get into your meetings nor hear many of your radio broadcasts) can have your sermons preached to us in our homes by THE MIRACLE OF RECORDING on plastic records and that THE POWER OF GOD IS IN THEM — TO SAVE AND TO HEAL — JUST AS WHEN WE HEAR OR SEE YOU IN PERSON!

"I intend to visit others who are sick and need a touch from the Lord — and play these records for them.

"I am praying, also, that many others will feel led of the Lord to do this, too, and that thousands of souls will be saved, healed and delivered through the medium of this MIRACLE RECORD MINISTRY of yours that the Lord has enabled you to provide for us."

“... Christ in you, the hope of Glory!” (Col. 1:27)

WHEN CHRIST FULLY DWELLS WITHIN-

THE **Impossible** IS **Possible!**

Sermon preached by Brother Floyd F. Pike in the Sunday Morning Service on January 25th, during “Miracle Week in Miracle Valley.”

Rev. Floyd F. Pike

TEXT: “For I determined not to know anything among you, save Jesus Christ, and Him crucified . . . For we preach not ourselves but Jesus the Lord . . .” (II Cor. 2:2; 4:5)

I DO NOT KNOW anyone who is the answer to your problem except Jesus Christ, the Lord.

We believe in and teach the miraculous, the supernatural, as performed through the Holy Ghost.

When our Saviour, Jesus Christ, came into the world, He was announced by a light from heaven. His birth was supernatural; the announcement of His birth was supernatural. A host of angels was sent from heaven, with an angelic choir, to announce his birth.

He lived a supernatural life, performed supernatural miracles, died a supernatural death and rose from the tomb supernaturally. He ascended to heaven in the clouds of glory in a supernatural manner. We believe that He is soon going to return for His saints supernaturally also, in a cloud of glory, because we read in Acts 1:9-11—“... While they beheld, he was taking up; and a cloud received him out of their sight.

“And while they looked steadfastly toward heaven as he went up, behold two men stood by them in white apparel;

“Which also said, Ye men of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.”

**Signs, Wonders, Mighty Deeds
— The Signs of an Apostle!**

Paul was an Apostle, as were the

other twelve, for we are told in II Cor. 12:11,12—“... In nothing am I behind the very chiefest apostles . . . Truly the signs of an apostle were wrought among you in all patience, in signs, and wonders, and mighty deeds.” (These are the signs of an apostle!)

The conversion of Paul (formerly Saul of Tarsus) was supernatural; Paul was struck to the earth by a light from heaven.

Paul said, “I have the signs to prove that I am on an equal with the very chiefest apostles.” His life proved that fact daily.

He said, “I see something before me—something ahead of me; there is another day coming yet—that will be characterized by signs, wonders and miracles.”

Paul Saw “Our Day”

Paul was looking down into the future to our day—to this generation—when Christ will be manifested again in a supernatural way!

We desire to have the Lord Jesus Christ. We must have Him, because we know it is “... the Father that dwelleth in me, he doeth the works.” (John 14:10).

There is a height and depth in God which Pentecost has not reached, neither has it desired.

It seems almost that they say, as in the Song of Solomon (5:8) . . . Tell him that I am sick of love.” “I can’t stand it!”

Are you getting to be a fanatic—kind of queer—rather odd? Do you

want to pray all the time?

Paul said, in Ephesians 3:14,15—“For this cause I bow by knees unto the Father of our Lord Jesus Christ.

“Of whom the whole family in heaven and earth is named.

“That he would grant you, according to the riches of his glory (according to all the riches up in glory) to be strengthened with might by his Spirit in the inner man.”

Are you ever afraid you are going to ask something too big of the Lord?—

In the scripture quoted above, Paul is praying for the Holy Ghost baptized Christians.

It is a bigger job to bring up children than it is to bring them into the world.

Seek “More of God”

If you seek something from God, you are not going to get something you do not need. What you must seek for, however, is more of God—not for certain “Gifts.” Let Him give you what you need. Remember He gives the gifts severally as He wills. Do what He tells you to do; obey Him and He will guide you into all truth!

When you do this, you will be strong enough not to waver when something new comes along.

Remember, that “... After ye believed, ye were sealed with that holy Spirit of promise.” (Eph. 1:13).

We would ask, as with Paul in Acts 19:2—“... Have ye received the Holy Ghost since ye believed?”

“I am praying for you that you will

be strengthened in the Holy Ghost, prayed Paul, "Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ." (Phil. 1:6).

We would say that for each one of you here today.

To Please God — The Miraculous Must Accompany the Shout!

This good work that Christ has performed in you is more than a good feeling which makes you dance and shout.

Some have such a good feeling they can do nothing but shout, but Paul wasn't satisfied with that kind of Christians only. There is a place in God where we are in Him and He is in us, to enable us to perform the supernatural—to impart to others that power that He has entrusted to us. When God gets His people to that place, he is going to take the world by storm.

It is good to shout; but the shout must be accompanied by the miraculous works of God—if we are to please God!

We have to exercise faith—we have to believe it!

Don't go around "in the dumps." Thank God, even if you think He hasn't done anything for you that you can see or feel. Remember, God is still on the scene! Get up and tell the devil he is a liar and say, "I am going to make it yet!"

Paul counted the things he couldn't see as though they were done.

When you are told that something is an impossible thing—you can turn to God and say, "God, this is your chance!"

You can say, "I see a goal, I am going to make a start. It may be very hard to attain, but God I am counting on you!"

"Be Filled with All the Fulness of God"

This is more than a good feeling—more than praying for the sick—more than prophesying—more than speaking in tongues!

"That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man!"

"That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love."

"May be able to comprehend with all saints what is the breadth, and length, and depth, and height, which passeth knowledge, that ye might be filled with all the fulness of God." (Eph. 3:16-19).

This doesn't come by study; but by praying—"that we might come into the depth of God's love"—that love in you which is born from above!

If we had the proper love, we would not be so harsh and critical of anyone else, no matter how big a mistake they might have made.

Christ taught us to pray for God to bless them who persecute us.

Christ Performs Through His Spirit in You

Why does God want it like that? Because that is the way He is! That is the way we are not—in the natural! It is only through Christ—when He lives through us—that we are able to attain that place!

Do we want to see God's program go on, or do we want to be a fly in the ointment?

Salvation is for the whole man—body, soul and spirit. Don't you want to get God into every part of you? Your mind—your heart—your body—your hands—your feet—should be filled with God!

The answer is "None!" This is the cry "When that is true, you may ask—"What room will there be for me?" of a lot of God's people.

"He came unto his own, but his own received him not."

"But as many as received him, to them gave he power to become the sons of God, even to them that believe"

"And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God." (Eph. 3:19).

Oh, that Christ will become a part of me!—That I may be filled with God!

"Christ in Me"

In some instances, some have supposed it was all God, when it was not. Let's not imagine that we are something that we are not.

We should strive to be able to say with Paul—"I have therefore whereof I may glory through Jesus Christ in those things which pertain to God."

"For I will not dare to speak of any of those things which Christ hath not wrought by me, to make the Gentiles obedient, by word and deed."

"Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ." (Romans 15:17-19).

Mighty signs and wonders accompanied the ministry of Paul! Because of that fact, he could declare—"I have fully preached the gospel!"

"But we all... beholding as in a glass the glory of the Lord, are changed into the same image..." (II Cor. 3:18).

The Price of God's Miracle Working Power

THE BOOK THAT WILL SHOW YOU THE MEANING OF —

"... Christ in you, the hope of Glory!" (Col. 1:27).

- This book will show you how to bring the gifts of the Spirit into operation in YOUR life, or your church.
- It gives God's answer to the question, "Where are the 'Gifts of the Spirit' and why are they not operating in my life?"
- It sets forth God's price for unclogging the channel through which God's Power flows and operates.
- In this book, Brother A. A. Allen tells his own story of that day in his prayer closet when God met him in a supernatural way and spoke to him, enumerating thirteen things that stood between him and the power of God. After these hindrances were listed, God promised Brother Allen "When you have marked the last item from the list, you shall not only heal the sick, but in MY NAME shall ye cast out devils! You shall see mighty miracles as IN MY NAME you preach the Word, for behold, I give you power over all the power of the enemy."
- A chapter is devoted to each of these requirements. Brother Allen's experience has proved the reality of this revelation, for since the day he marked the last hindrance off the list, his ministry has advanced in an ever widening circle of blessings, now reaching into the uttermost parts of the earth.

Thoroughly scriptural and doctrinally sound. Glorifies, exalts Christ and the church!

To Know Him Is to Be Changed Into His Image

To know Him is to be constantly changed into His image and to know "the power of His resurrection." (Phil. 3:10).

Because of that power, I see the heathen moving toward God among their various tribes.

We are in the climax — in the finish — and a quick work in this world must be done and cut short in righteousness!

There shall arise a people mighty and strong, not in themselves, but in the Lord.

The devil will have no power over them; their strength will be in the Lord.

There are always people who will say, "That is for Brother Allen, Brother Roberts and Brother Branham. It is not for you nor me."

Is that right?

NO! God said, "These signs shall follow them that believe!" (Mark 16:17).

The Lord alone is going to be exalted in this day.

We are coming to that hour when it is not going to be for you nor me, but for the Lord. "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." (Eph. 3:20).

He is working in you to bring you into this place. Unto Him be glory in the church.

God Hath Chosen the Foolish to Confound the Mighty

In many ways, man has the advantage.—"But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty." (I Cor. 1:26,27).

• "WHAT MANNER OF MAN IS THIS?"

By A. A. Allen

Around the world today God has raised up men who have stirred cities, nations, and continents by doing the things Jesus did. Careless multitudes who had no interest in eloquent oratory nor religious pageantry are startled awake as the deaf hear, the blind see, the lame walk. Like the disciples of old they cry, "What manner of man is this; who can do such miracles?"

Here is the answer, in a challenging, inspiring book, written by one of the men whom God is using today.

We can claim, with the Apostle Paul — "I can do all things through Christ which strengtheneth me." (Phil. 4:13).

We know, too, that God's hand is not shortened for, "God can take a worm and thresh a mountain." (Isa. 41:14,15).

David said, in Psalms 42:5, "Why art thou cast down, O my soul?"

This is not too hard for you—it is according to your faith in God.

"And base things of the world and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are." (I Cor. 1:28). That no man should glory in his flesh.

The Lord alone shall be exalted in your day.

Come brother, sister. Desire Him—love Him—run after Him—give place to Him—let Him come forth His way—He will do a quick work and cut it short in righteousness!

A New Place in Christ

We are coming into a new place where we are not in ourselves—but in Christ!

In Genesis 1:26, we read—"And God said, Let us make man in our image . . . and so it was done."

But that image was marred—that perfect image in you and in me. Have you set your heart to that resolve—

"That I want to be restored to that which you started me off with, Lord."

"And we know that all things work together for good to them that love God, to them who are the called according to his purpose."

For whom he did foreknow, he also did predestinate to be conformed to the image of His Son, that he might be the firstborn among many brethren."

Oh, to be conformed to His image! It will never happen until we be entirely conformed to His will!

"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord." (II Cor. 3:18).

Christ is working in you—but Christ is not satisfied—keep looking at Him!

For we know that you and I will be changed by beholding Him.

People Disappoint — Christ Is Perfect!

If you look at people, you are apt to be disappointed—you will see some flaw, or a mistake. Presently, you find they are not fulfilling your expectations. On the other hand, if you will behold the Lord—you will find that He is PERFECT!

There is a great move on—and we are in the middle of it. We are living in a great day! Christ is going to work through someone! It might as well be you!

This message is the message we teachers, here at MIRACLE REVIVAL TRAINING CENTER and MIRACLE VALLEY CHRISTIAN HIGH AND GRADE SCHOOL are called to teach you—how to know the reality of "CHRIST IN YOU—THE HOPE OF GLORY!"—that you may go out and give to this world that ministry of the miraculous that He (Christ) had, accompanied by the signs, wonders and miracles Christ performed when He walked on this earth and brought Deliverance, healing and miracles to the multitudes who thronged after Him as He walked the shores of Galilee, when He lived and ministered among men.

GOD BLESS YOU!

A. A. Allen Revivals' Mission Program Reaching Into Many Lands!

By Mrs. A. A. Allen

TOGETHER, A. A. ALLEN and his faithful friends who have given sacrificially of their means, have reached out into many lands with the gospel during the past year.

A successful missionary campaign was conducted in Vigan, Illocos, Sur, Philippine Islands. At the close of that campaign, Rev. and Mrs. L. L. Hootman remained to establish the church there. These missionaries were sent out to Vigan through the contributions of the A. A. Allen, Miracle Revival congregations. They also received support while there through the Allen Revival Office. At the present time, Brother and Sister Hootman have returned to the States, and we understand are preparing to go out again, this time to Mindanao, closer even to the communist held areas, to carry the gospel of Deliverance.

Tens of thousands of Indian people were reached with the gospel, confirmed by signs, wonders and miracles, at Tiruvalla, South India. Our friends here at home made this meeting possible in a very special way. So many of these people traveled great distances. They were poor, and could not afford to eat in restaurants (if such had been available). Tons of brown rice, with barrels of curry sauce, were purchased with the money provided by our American friends, and these dear people were fed, body and soul. Rev. P. John Thomas, sponsor of the Tiruvalla Campaign, has been with us in "MIRACLE VALLEY" and in services since that time, rejoicing at what God has wrought in the hearts of his Indian people through the inspiration they received during the campaign. Although Brother Thomas and those with whom he is associated in India are working independently, not under the direction of any foreign mission board, and are looking to God, not man, for their support, we have found it possible to help them materially in the months since we returned from India, as many of our friends have continued to give for the work in India.

Our Latin American broadcasts continue to reap a harvest of souls. Even through the months of terror, while Cuba was wrapped in bloody revolution and foreign evangelists and missionaries were limited in their effectiveness, these broadcasts were bearing fruit.

Now the revolution is over. Brother Ortiz is back at his post in Santiago de Cuba. He is going forward with plans to set up the gospel tent which the A. A. Allen Revivals' congregations have provided for him, and to press forward for God in 1959.

that 25 new churches have been built in Mexico, through the ALLEN REVIVAL offerings. These are functioning Deliverance churches. These buildings are very necessary, as it is illegal in Mexico to conduct services outside of an authorized church building. We must keep this work going forward. Considerable support has been given to both missionaries and native workers in Mexico through the ALLEN REVIVAL MISSIONARY FUNDS.

Power, like Brother Allen has, into my life! When you attend these meetings with that kind of an attitude, you'll get what you need from God.

Therefore, I followed Brother Allen around. I watched him. I observed him. And when the glory of God was descending all over him, I got under it, and got a little on me!

Nobody can give you anything except that which he has received from above! And this kind of faith will work in anyone who is filled with the Holy Ghost and called of God!

I followed this man of God, as he went into the emergency room. I watched as he talked to those people, and saw tears flow down his face! You've got to talk with this man before you see his compassion in reality. He has compassion that is out of this world—not of this world! And when it comes upon him, his heart is broken and melted, and tears flow like rivers of living waters. He has the very heart of Jesus beating in his bosom! That is why he has a miracle ministry—because he believes what he preaches, he believes in the God that he represents, and nothing can stop him!

I said, "Lord, you are no respecter of persons! What you do through that man, you could do through me!"

The Lord said, "Yes. You watch what he does! You see the life he preaches about—and lives. You see how HE gives himself to ME!"

Some of you want God to work through you. You had better give yourself to God! Whole-heartedly! Body, soul and spirit!

I watched this man move in God. It was like going to school all over again, only you don't learn these things in college! You learn this in the school of the Holy Ghost.

I've seen a lot of psychology. I don't want that. But when it comes to pure, naked miracle faith, brother, it shakes you all up on the inside. And that is what Brother Allen has! He speaks the words of life, and they are creative. People are delivered!

Brother Dick Baker's "MOVE OF GOD CHURCH" will be a sponsoring church in the A. A. Allen Miracle Revival in Chicago this summer. We are very happy to learn that Brother Baker is pressing forward, availing himself of the Miracle Working Power that God promised to believers. Brother Baker uses the Allen Revival Tele-cast films in his church.

WE WONDER WHY?

BELOW ARE REPRODUCTIONS of cancelled checks covering a part of the money contributed by and through A. A. ALLEN REVIVALS, Inc., to the support of Clyde Shields, now of San Fernando, La Union, Philippine Islands, and a part of a letter recently received in our office—forwarded to us by a friend—which was reproduced on the back of a letter on the letterhead of Guy Shields of Irving, Texas. The letter which we partially reproduce here, was represented as coming from Clyde Shields to Guy Shields, and was signed, "Clyde and family."

San Fernando, La Union
Philippines
October 13, 1958

Dear Brother Shields

Brother Allen has never given us a dime. He has never promised us anything either. We worked with him for six months in raising money and prayer warriors for their overseas campaigns.

It is true that Clyde Shields was in and out of our meetings for a period of nearly six months before returning to the Philippines about February 3, 1958. It is also true that after the campaign in Vigan and our experience and observation there, we did not continue to support Shields, but rather to assist in the establishing of the new church in Vigan, where our campaign was conducted, under the leadership of Brother and Sister L. L. Hootman.

However, even after that time, contributions received in our office designated for Shields were faithfully transferred to him. (Note dates on checks. Some were written AFTER February 3, 1958, while he was in the Philippines!) In addition to this, we know that he has received many contributions from persons whom he contacted in our meetings.

What could the reason be for such a letter?

"SO BUILT WE THE WALLS!"

DEDICATION OF BUILDINGS

Sunday: January 25th

Sermon as preached by Rev. A. A. Allen at the dedication of the buildings in MIRACLE VALLEY on January 25th, the last Sunday of "Miracle Week in Miracle Valley."

TEXT: Nehemiah 4:6 — *"So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work."*

THIS SCRIPTURE has a spiritual application:

I'm reading from Nehemiah 4:1 — *"BUT it came to pass, that when Sanballat heard that we builded the wall, he was wroth, and took great indignation, and mocked . . ."*

Sanballat is a type of the devil. Therefore, we could paraphrase this and say: "When the devil heard that we builded the school . . ."

The "wall" here means the school we're building, or anything to keep the devil out, anything to defeat the devil, or anything that we dedicate to the purpose of God.

" . . . When . . . he heard that we builded the walls; he was wroth . . ."

In other words, he got mad and took great indignation, and mocked the Jews, . . . — or the builders.

"And he spake before his brethren, and the army of Samaria, and said, What do these feeble Jews? will they fortify themselves?"

In other words, "Are they going to build a wall around and about themselves, so we can't get in there and destroy them?"

MRTC — A School of Fortification

I believe that the devil recognizes in this school here, MIRACLE REVIVAL TRAINING CENTER, a school of fortification; that this is a fortifying force.

This school is a wall to let the devil know just how far he can go.

Sanballat said, *"Are these feeble Jews going to fortify themselves? Will They sacrifice?"*

He's talking to us and he already has the answer. I've never seen people give such offerings as have been given during this "MIRACLE WEEK." Never have I seen such willing sacrifice to pay for the big pump out there and the tank that supplies the water system for the school. I could

say, "You devil, you know these people will sacrifice."

He replies, *" . . . Will they sacrifice? Will they make an end in a day? Will they revive the stones out of the heaps of the rubbish which are burned? Will they do it?"*

" . . . Tobiah, the Ammonite, was with him and he said, Even that which they build, if a fox go up, he shall even break down their stone wall."

But the sixth verse says, and so say we — in the face of all the opposition — *"So built we the wall; and the wall was joined together unto the half thereof, for the people had a mind to work."*

That is the verse I want to leave with you. **"SO BUILT WE THE WALL; . . . FOR THE PEOPLE HAD A MIND TO WORK!"**

In just a moment (continues Brother Allen), the people under this tent are going to step out to the boys dormitory, out to the girls dormitory; we are going out and have a Jericho march around these buildings. We're going to lay our hands on those classrooms out there; we're going to march around the cafetorium, around every one of the buildings, the work shop, the wood shop, the machine shop, and the library and art building and we're going to lay our hands on every one of them. To us, they are "the wall" in this scripture.

AFTER BROTHER ALLEN PREACHED this dedicatorial sermon, he instructed the people to begin a "Jericho March" out around the various buildings to lay their hands on them as he prayed the prayer of dedication.

Here the people are shown leaving the Revival tent, going up toward the Cafetorium, the boys' dormitory, the girls' dormitory, the classrooms, the Library and Administration building, the Wood shop and Trailer Park for the final dedicatory prayer.

THE BOYS DORMITORY. How happy the young men were to be able to move into their dormitory at the beginning of "Miracle Week."

We can say, "So built we the boys dormitory, the girls dormitory; so built we classroom after classroom; so built we the cafetorium! Bless God!

So built we the wall! Because God still has some people who are able and willing to work.

God still has some people who are willing to make a sacrifice.

God still has some people who are willing to give, who are willing to pray, and resist old Sanballat and all his evil forces!

The scripture declares that when old Sanballat (type of the devil) came by and saw that the wall was being built, he did everything he could to engage the people in battle, to get them to come off the wall. (Vs. 8).

THE CAFETORIUM (to left) and two of the classroom buildings (right foreground).

The people are coming from around the classroom buildings to gather in front of the Cafetorium.

Many of you have read this story again and again. You know Sanballat did everything he could to get the builders to come down off the walls, so they wouldn't work.

However, the workers' answer was always "We are doing a great work and we can't come down!"

Satan Hinders — But the Walls Go Up!

The devil was angry because he couldn't get them off the wall. He, likewise, has done everything he could to hinder our progress here in MIRACLE VALLEY. He has even tried to get students to go home after they came here, to get the workers to quit, and some did quit. God isn't pleased with workers sitting or standing around the wall. The people God sent down here were sent to help build the wall.

Our builders replied, too, "We can't come down because we're doing a mighty work; we're doing a great work!"

Next, Satan did everything he could to cause confusion, to cause persecution. He ridiculed and motivated others to ridicule; he caused fear to grip the hearts of some of the people —

"Nevertheless we made our prayer unto our God, and set a watch against them day and night . . ." and our workers sent him word, "We can't come down, because we're doing a mighty work!"

They worked steadily on and built the wall, placing rock after rock, stone after stone, gate after gate!

To me, it is the story of the windows going in, and the doors going in; the floors being poured, the walls of the dormitories and classrooms going up; the roofs going on, the wells being drilled, the pumps being put in the wells; and of the tanks being erected.

Many people across the country now know that some of the walls are up. They know now that two of the dormitories are up, the cafetorium is up and some of the classrooms are up. Hundreds of students are now attending this great school.

That has been recognized, but do you know what they are saying now?

People Are Learning — There Really Is a MRTC School Now

They have said, "We couldn't keep them from building it; we will have to tell some other kind of story now."

"We've told the people across the nation that they weren't building it; we have told the people they didn't have a school, but everybody is finding out now that those were lies. NOW the people can see these buildings; they can read MIRACLE MAGAZINE and see what God is doing. With so many people reading that magazine, we can't get the people to believe that story anymore. Now, we will have to tell the truth, because the people are finding out there really is a school down here.

"Another woman, deaf in both ears, could hear again.

"A native told how God had healed him of rheumatism.

"Each one demonstrated clearly how authentic their healings were.

"Another woman, who had been lame in her feet, jumped around on the platform. The multitude jumped with her for joy.

"Another, with a chest disease, was free of all symptoms.

"Testimonial after testimonial followed.

"Eventually, the multitude grew so excited we closed the service, after two hours of testimonies and rejoicing. The songs of jubilation could be heard until long afterward from the dark jungles.

"This was the beginning of a great move of the Holy Ghost. Hundreds more are swelling the multitudes as they gathered from all parts of Calabar."

Later reports indicate that this great move of God is continuing and growing.

"This great sea of humanity, drinking in the words of life one moment, the next shaking the grounds with an anthem of praise, are more conveniently measured by the acre than by count. Our attempts to number them have proved fruitless," writes Brother Scothern. "The amazing feature about these gigantic crusades is the interest all churches are showing. From Nigeria, we sail to Sierra Leone, and all churches, from the Anglicans to the Full Gospel groups are uniting for a great effort of Holy Ghost evangelism. Your prayers are requested for these tremendous last day gospel crusades."

Evangelist Peter Scothern has been showing the Allen Revival Telecast Films in Britain, and working and praying for an outbreak of Miracle Revival among his people. No doubt God is using him, and will use him in a greater measure, to bring about the answer to his prayers!

"SO BUILT WE THE WALLS!"

(Continued from Page 29)

"Some of the walls are up now; so we will have to resort to other tactics."

They continue and say, "I'll tell you what we will have to do. We will tell the people that they did go down there and build; but we must keep our young people from going there."

"If they go down there, they will turn out just like the rest of those young people. They will believe in signs, wonders and miracles. They will also believe that they, too, can cast out devils, heal the sick, and even raise the dead."

"Now, we must do everything we can to discourage our young people across the nation from going there; we must tell our preachers not to let their people go to that MIRACLE REVIVAL TRAINING CENTER, or Bible School, at Hereford, Arizona."

Of course, we know the devil is a liar!

There will be a lot of young people, who, at present, do not believe in signs, wonders and miracles, the supernatural and the gifts of the Spirit, who are going to feel the call of God, and God is going to lay His hand upon them, and tell them to come here.

There may be many "Sanbaliats" who will say, "They have a school down there, all right, but it is no good. They have built a school there; but if a fox ran against it, it would fall down," which means it has no strength.

MRTC — The Only "Miracle School" in the World!

This is the greatest school in America; it's the only one of its kind in the world.

It is a "Miracle School," so called from the very beginning. God performed a miracle, to give us the land, to provide these buildings, to provide these deep wells; to provide the pumps, and to provide the students.

We have the most wonderful group of young people I have ever met.

Of course, Satan tells the students, "You're not going to learn anything; you are not going to get anything here." "... if a fox go against the wall, it would knock it down."

Students, what you must do is take your stand, like they did in the Bible days, and say, "You fowl devil, it's going to take more than a fox to knock this school down! This is going to stand; it's going to stand as a monument to God's people, and God's children, across the nation!"

We have built this wall, not as an accident — but because the people had a mind to work!

The One who gave the people here in "Miracle Valley" a mind to work was God; therefore, we are standing together this afternoon; we're raising our hands over these dormitories, these classrooms, this great Bible school here, this Christian High School (Stand everyone!) and we're going to thank and praise God together, because the Lord has enabled us to BUILD THE WALLS!

God Said, "THIS IS MY VALLEY!"

Just then, the Lord spoke through one of our High School teachers, through the Supernatural gift of prophecy, and gave this message:

"Yea, my people, THIS IS MY VALLEY... when I did form the earth... throw it out into space... when I did hollow out the valleys, when I did fill the seas with water, when I formed the mountains, then did I come down, then did I walk in this valley... then did I press it down, plant this grass, then did I form it and say unto my angels: thou shalt keep this valley, for yea, I shall keep it as a holy place unto me."

"Yea, this valley shall be called MY VALLEY, and I SHALL CALL IT MINE!

"I shall call my people... they shall come from the far corners of the earth, from the East, West, North and South. I shall bring them thither. Here they shall learn of me! Yea, I shall send my presence in their midst. I shall walk among them."

THE CROWD GATHERS in front of the Cafetorium to lay their hands on the posts and walls, as Brother Allen prays the final dedicatory prayer.

"Yea, as I even now am here, I shall walk to and fro in their midst. Yea, I shall speak unto them; I shall talk with them and they shall see my glory, yea — even as a cloud, and I shall dwell in their midst and they shall know me by my name; that I am the Lord God on high, that I am He that healeth, I am He that delivereth!

"Yea, I say unto thee, my people; I have put my angels around this valley. Yea, even now, do they stand on the four corners."

"I say unto thee, here thou hast built me an altar; thou hast built it with willing hands, thou hast done it with a willing heart."

"Yea, I say unto thee, I have looked down and I am well pleased."

"Yea, I say, my people, thou shalt be blessed for I, the Lord, thy God, will not let my Word return unto me void."

"Yea, I say unto thee, that which thou hast given shall be returned unto thee, and I shall restore it a hundred fold up upon wings and I shall be with thee and send thee forth."

"Yea, I say again unto thee... THIS IS MY VALLEY — AND I SHALL DWELL IN THE MIDST OF THE PEOPLE WHOM I HAVE CALLED BY MY NAME!"

Brother Allen continues:

"Friends, you have just heard a supernatural utterance, through a Divine gift."

"This was God speaking from Heaven, stamping His approval upon all that has been built, all that has been finished, all that has been erected."

You Can Have a Part in "God's Valley"!

The school is not finished! It is only partially finished. Thank God, some of the buildings are up, but they need paint.

The grounds need landscaping; they need shrubbery. Soon, a dozen more buildings will be going up here, and I'd like to say to our friends who listen to our broadcasts on the radio, and who read MIRACLE MAGAZINE, YOU CAN HAVE A PART IN GOD'S VALLEY!

You can have a part in the greatest thing God is doing today.

WILL YOU HELP US BUILD THE REST OF THE WALLS SO BADLY NEEDED?

YOUR OFFERING WILL HELP:

- \$100.00 will build a room in one of the dormitories.
- \$25.00 will furnish one large window.
- \$25.00 will pay for two bunk beds for the students.
- \$10.00 will pay for a desk or a dresser, from our own furniture shop. One of each is needed for each student.
- \$5.00 will put a chair in one of the student's rooms. We need one for each student.
- \$5.00 will turn out 100 cinder blocks from our own machine.
- \$1.00 will buy one sack of cement. Thousands of sacks are urgently needed now!
